Preschool At The Hills - West Fort Worth

PATH is a two-day preschool program located in the WFW Campus of The Hills Church. We commit ourselves to provide a quality early childhood education to the children and families of the congregation and surrounding communities.

Our mission is to encourage the spiritual, intellectual, physical and social development of each child through a developmental, Christ-centered program. Each child is seen as a unique and special child of God, with potential for growth and development in all areas of life.

“We want children to leave our classrooms knowing that God created them, made them special and loves them very much.”

Curriculum

PATH uses curriculum that coordinates an academic and biblical theme to the classroom each week. Our goal is to prepare children for kindergarten and foster a lifelong love of learning. Above that, we want to plant seeds of Jesus' love and wisdom in the tiny hearts of those we serve. We want children to leave our classrooms knowing that God created them, made them special and loves them deeply.

Hands-on learning experiences are offered throughout the year including Chapel, Music, Art, Spanish and interactive days. Our Literacy Specialists rotate through each classroom daily teaching a lesson utilizing the Handwriting Without Tears curriculum.

Teachers

We believe our teachers are one of our greatest assets. We hire staff members who have a heart for the Lord and a heart for sharing Him with children. Our preschool team has a variety of educational and hands-on experience. In addition, all are required to complete specific training hours each year as a part of our on-going commitment to classroom excellence.

Enhancing Your Child's Education

Chapel

Students attend daily chapel time where they learn a lesson from the Bible each day. Chapel is a high energy, dynamic worship & praise session.

Spanish

Spanish is taught in a “circle time” setting using music and pictures to reinforce new language skills.

STEM

An enrichment program specifically geared to engage preschoolers that involves science, technology, engineering and math. Students will also participate in art and movement activities. Other enrichment topics include weather, senses, space, manners, stranger danger, nutrition and more.

Interactive Days

To further enhance the educational experience, we involve students in interactive days. Career Day, Rodeo Day, Super Hero Day and our very own Pumpkin Patch are just a few of the fun-filled experiences that allow children to be actively engaged in learning.

Music

Children participate in music class each week where they learn about musical instruments and enhance their learning of colors, shapes and general curriculum with songs, finger-plays and additional activities.

More Information

General Program Information

Classes are Tuesdays and Thursdays from 9:00am-2:00pm for children ages 8 weeks through Pre-K. PATH follows the White Settlement ISD calendar and is in session from September through May.

Ratios

We make every effort to provide the highest quality and safest environment possible for your children. As part of this effort, our ratios are as follows and on every level meet or exceed the State Minimum.

Standards

Infant Class [8 weeks - 12 months] - 1 teacher for every 4 babies
Toddler Class [1 - 2 years] - 1 teacher for every 5 children
Preschool A Class [2 years] - 1 teacher for every 6 children
Preschool B Class [3 years] - 1 teacher for every 8 children
Preschool C Class [4 - 5 years] - 1 teacher for every 8 children
