THE HILLS CHURCH

Young Children's World

YCW is a two-day preschool program located in the NRH Campus of The Hills Church. We commit ourselves to provide a quality early childhood education to the children and families of the congregation and surrounding communities.

Our mission is to encourage the spiritual, intellectual, physical and social development of each child through a developmental, Christ-centered program. Each child is seen as a unique and special child of God, with potential for growth and development in all areas of life.

“We want children to leave our classrooms knowing that God created them, made them special and loves them very much.”

Curriculum

YCW uses a set curriculum to bring a coordinating academic and biblical theme to the classroom each week. Our goal is to prepare children for kindergarten and foster a lifelong love of learning. Above that, we want to plant seeds of Christ's love and wisdom in the tiny hearts of those we serve. We want children to leave our classrooms knowing that God created them, made them special and loves them deeply.

YCW offers fun learning experiences throughout the year including chapel, music class and interactive days. Our Educational Enhancement teacher works with our older age groups to conduct literacy enhancement activities and works with smaller groups of children to ensure that each child is as ready as possible for Kindergarten.

Teachers

At YCW, we believe our teachers are one of our greatest assets. We hire teachers with a heart for the Lord and a heart for sharing Him with children. Our staff has a variety of educational and hands-on experience. In addition, all are required to complete additional training hours each year as a part of our on-going commitment to classroom excellence.

Enhancing Your Child's Education

Chapel

Each week, children participate in an interactive, age-appropriate chapel time. They praise God and experience Bible lessons in an engaging environment.

Educational Enhancement

Our goal is to reach every child on his or her own developmental level. This is why YCW offers Educational Enhancement classes for students who seem to be a little behind or slightly ahead developmentally. These students receive additional teaching on core concepts in small groups.

Interactive Days

To further enhance the educational experience, YCW hosts interactive days. Career Day, Rodeo Day, Dino Day and our very own Pumpkin Patch are just a few of the fulfilled days that allow children to be actively engaged in learning.

Music

Children participate in music class each week where they learn about musical instruments and enhance their learning of colors, shapes and general curriculum with songs, finger-plays and additional activities.

More Information

General Program Information

Classes are Mondays and Thursdays from 9am-2pm for children ages 8 weeks through Pre K5/ Bridge to Kinder. YCW loosely follows the Birdville ISD Calendar and is in session from September through May.

Ratios

We make every effort to provide the highest quality and safest environment possible for your children. As part of this effort, our ratios are as follows and on every level meet or exceed the State Minimum.

Standards

8 weeks - 12 months.....	1 teacher for every 4 babies
12 months - 2 years.....	1 teacher for every 5 children
2 years.....	1 teacher for every 6 children
Jr. Pre K.....	1 teacher for every 8 children
Pre K.....	1 teacher for every 8 children
Bridge - Kindergarten class....	1 teacher for every 8 children
