PICK-UP AUTHORIZATION FORM

It is important that the registering parent notify the PATH office of all possible persons that may be authorized to pick up the child. Anyone picking up your child should be prepared to show proper identification, (i.e.: Driver's License) to the teacher before the child will be released. For divorced parents, it is important that the registering parent indicate who has legal custody and if both parents are authorized to pick up the child.

We will not release a child to anyone who is not authorized to pick up. It is the registering parent's responsibility to notify the PATH office, in person or in writing, of any changes to the Pick-Up Authorization form.
